

**Sakthi Enterprises** was established in 2000. Our company is leading Importer & Exporter of Mining, Earthmoving, Marine and Construction Machineries Spares. We Import the spares from JAPAN, USA, TAIWAN, SINGAPORE, ITALY, KOREA & DUBAI almost worldwide.

Our company is undertaking All Types and Brands of Mining, Earthmoving, Marine Hydraulics, Hdd machines, Construction Machineries, Injection moulding, die moulding, Paint industries, Iron manufacturing industries, Road making machines, plat form lifters, Cement manufacturing support machines, Alumimium manufacturing power packs and big hydraulic power pack machines etc....

**ALL TYPES AND BRANDS OF HYDRAULIC COMPONENTS SERVICE, SPARES AND NEW COMPONENTS SALES SPECIAL ATTACHMENTS FOR ALL TYPES AND BRANDS OF EARTH MOVING, CONSTRUCTION AND MARINE MACHINERIES...**

**Brands we handle... SERVICE, SPARES AND NEW COMPONENTS SALES**

Danfoss, Parker, Kawasaki, Rexroth, Sundstrand, commercial hydraulics, Vickers, Eaton, continental hydraulics, Caterpillar, Komatsu, Casappa, Kappa, Trex, poclain hydraulic, Kyb, TCM, Kalmar, Uchida, Nachi, Kato, Kobelco, Demag, Case, Nissan, Daikin, Hitachi, Hyundai, Jcb, Bauer, ajax, Doosan, P&H, Tokimak, Toyo, Bucher, Denison, JLG, Sumitamo, LIEBHERR, Sany, Linde, Char-Lynn, Vermeer, Apollo, John Deere, Kubato, Dynapac, Bomag, Yale, Clark, Palfinger, Hamm, Man-Grove, Ditch Witch, Dana spicer, Bobcat, Beml, Moog, Huger, Sinomach, Hitachi, Volvo, IR, Vickers, L&T, Harita, UDL, Carlise, FMC, ZF, Hallima, Drill Too, .....

## Service - HYDRAULIC COMPONENTS , TRANSMISSIONS AND AXLES

We have a vast service network to serve our customers. We offer expanded parts & service by factory trained service technicians. Our service department is totally equipped to minimize the breakdown hours for our customers machines 24/7.

We cater Servicing & Rehabilitation of all types of Material handling construction and earth moving Equipments like Forklift Trucks, Roach Trucks, Reach Stackers, Slew Cranes, Crawler, Cranes, Tower Cranes, Excavators, Motor Graders, Wheel Loaders, Vibratory Dozzer Compactors etc..., We will be providing overhauling of transmissions, Axles Hydraulics and structural works as well as complete Rehabilitation of these machines etc...

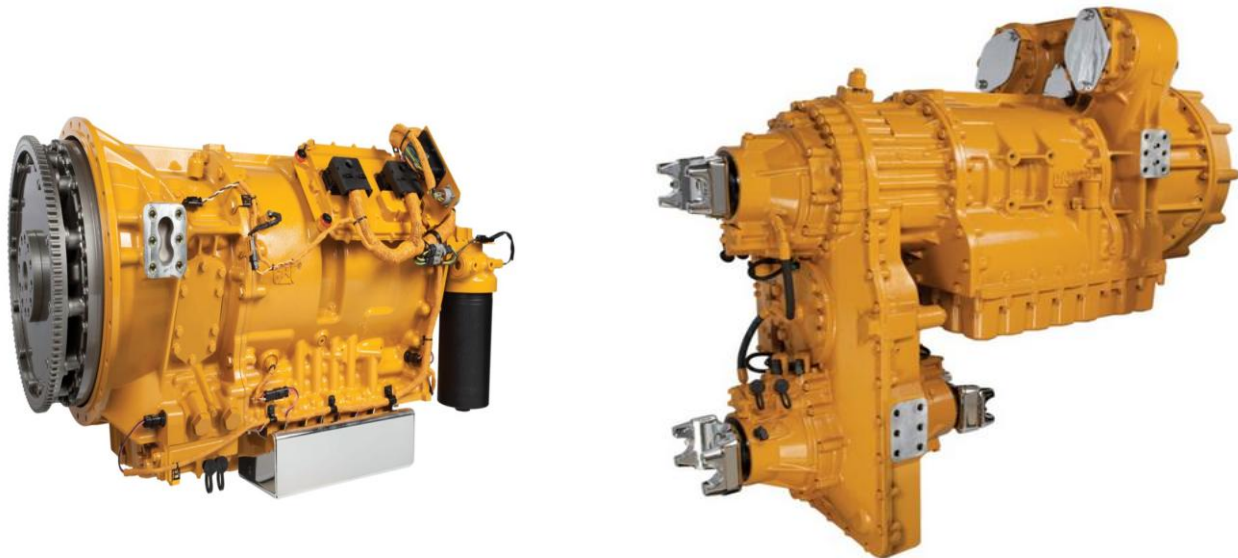

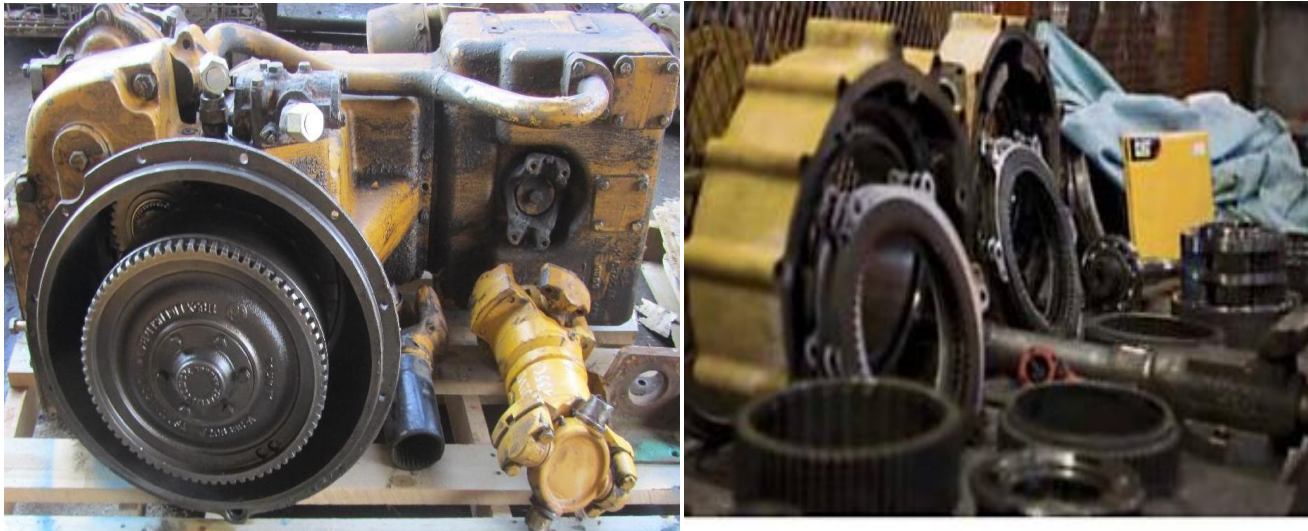

### HYDRAULIC COMPONENT SERVICE –

Pumps, Motors , Cylinders, Value bank and Turning joints services....

## TRANSMISSION AND AXLE SERVICE –

Automatic Transmission Parts and Services (Sakthi Enterprises.) Specialist in repairing and reconditioning of Power Shift Transmissions / Gearbox of all make and model like ZF, Allison, Komatsu, CAT fitted with Loader, Dumpers, Dozer, Bus & Truck and mobile Hydraulic Cylinders.

All Types and Brands of Transmission Service and spares

## **HYDRAULIC TEST BENCH**

Sakthi Enterprises manufacture test stands for testing activities in Hydraulic industrial sectors: HYDRAULICS, A Decades of experience, and highly qualified personnel, make Sakthi Enterprises competent in the production of testing machines, both for production and Accuracy use.

In the different sectors and different applications, the production includes a wide range of test stands, *Standard and Custom*. The Standard test stands are developed to meet requirements dictated by International regulations. With competitiveness in the market, and increasingly stringent regulations, Sakthi Enterprises has a continuous technological evolution in order to achieve higher performances.

The Custom test stands meet the specific needs of specific Customers and products. With its technical departments Sakthi Enterprises is able to assist the customer from the initial request until the after sales support.

All types and brands of Hydraulic pump, Motors, Cylinders, Value bank, Transmission and Axle Testing Facility available

## **MACHINES OVERHAULING**

All types and brands of Excavator Major Overhauling

All types and brands of Road Roller Major Overhauling

All types and of HDD machines Major overhauling

All types and Brands of Dozzer Major Overhauling

## Spare parts

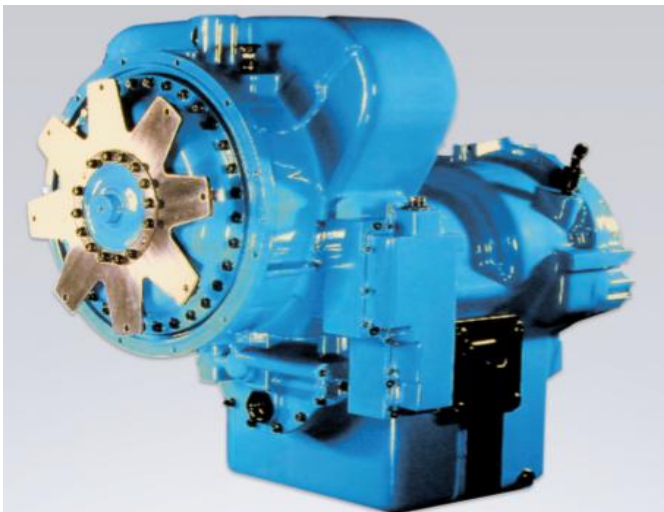

All hydraulic parts, Joy sticks, Engine parts, Tyres, ECU boards, ECM boards, Pins, Bushes, Seals, Tooth points ,conveyor belts ,conveyor rollers, Thruster and Under carriage spares Etc.....

All TYPES HYDRAULIC PUMPS AND MOTORS INNER PARTS

MS05 MS08 MS18 MS83 MOTOR PARTS

ALL TYPES AND BRANDS TRANSMISSION, AXLES AND BRAKE PARTS AVILABLE

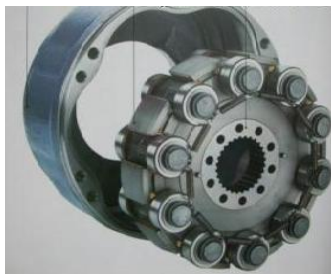

ALL TYPES AND BRAND OF FINAL DRIVE PARTS AVILABLE

KAWASAKI PUMP AND MOTORS AVAILABLE

ALL TYPES AND BRANDS OF HYDRAULIC CARTRIDGE VALVES

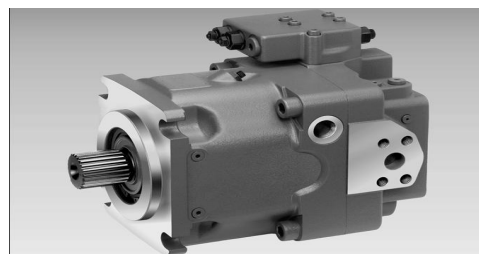

## Hydraulic components sales

All Types OF Poclain Motors and pumps AVILABLE

All Type Of Danfoss NEW pump and Motor aLLABLE

All Types of Rexroth pump and Motors sale

## Our Manufacturing - Special attachments and special equipments...

We are the Major Manufacturer and importer for Long Boom, Long Arm, Buckets, Rock Breakers, Clamp shell ect..., For all categories like Excavators, Dozer, Grader, Wheel loaders, Compactors ,Forklift, Crane, Boom lift, Cranes, Block handlers, Power loaders and back hoe and Micro Trenching

Long Boom , Long Arm, Lose Soil Buckets

Cutter

Grabber

Multi Grabber

Wood Handler

Spider Walker

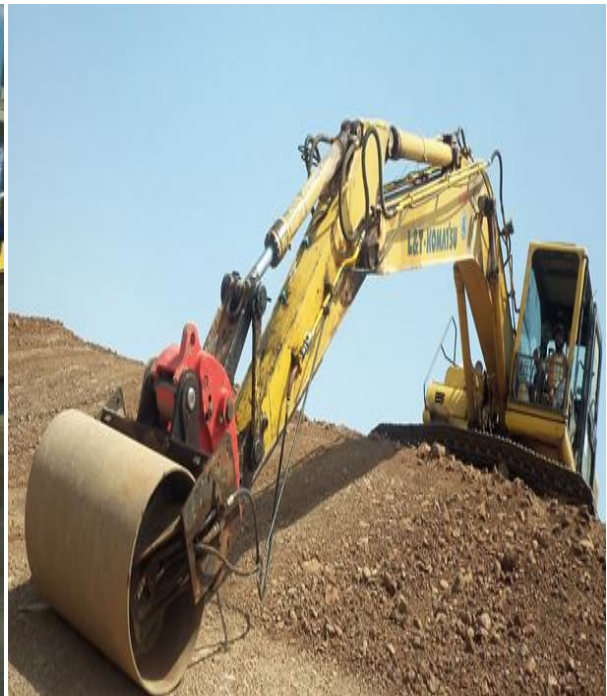

Train Track Handler

Sheep Foot Drum

**Hydraulic Components Test Bench**

**Vibrating Compactor – Excavator**

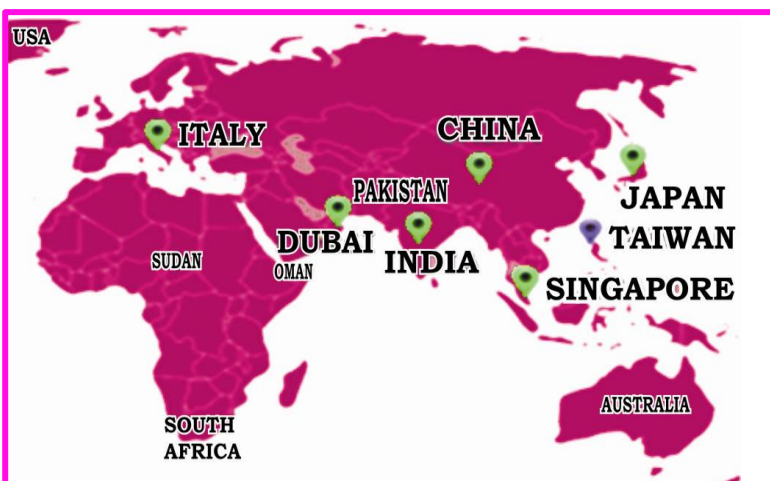

**Extra Arm and Silent Cutters**

**Micro Trenching Machine**

**OUR NET WORK : IMPORT & EXPORT**
